The purpose of this ACL is to provide counties with instructions and information regarding recent developments in the case of California Alliance of Child and Family Services v. John Wagner, et.al. On November 4, 2009, the United States District Court for the Northern District of California issued a Temporary Restraining Order (TRO) that directed the California Department of Social Services (CDSS) to halt implementation of the group home rate reductions mandated in Welfare and Institutions Code (W&IC) section 11462(g)(5) for ten days pending a hearing on the Alliance's request for a preliminary injunction.

When counties pay for services rendered for the effective dates of the TRO, November 4 through 14, 2009, they shall pay at the full rate schedule as identified in ACL No. 08-01 and reflected in W&IC section 11462(f)(1) and W&IC 11462(g)(4); and shall not issue checks to group homes, for that period, that are reduced by ten percent as mandated in W&IC section 11462(g)(5).
